Skills

As a web developer transitioning from the real estate industry, I possess a strong understanding of client needs and expectations, excellent problem-solving skills, and the ability to manage multiple projects simultaneously. With experience in HTML, CSS, JavaScript, and responsive design, I can develop high-quality, user-friendly websites that meet business objectives and exceed customer satisfaction. Additionally, my communication skills, attention to detail, and commitment to continuous learning make me a valuable addition to any team.

Experience

2019 - PRESENT

danielmorris.tech, Dallas - *Free Lance*

- As a software developer, my passion lies in creating innovative and efficient solutions that help businesses and individuals solve complex problems.
- Throughout my career, I have had the opportunity to work on a variety of projects, each offering unique challenges and opportunities for growth.
- Whether it's developing a new mobile application, optimizing a website for improved user experience, or streamlining a company's internal processes, I approach every project with a focus on delivering high-quality results.

2015 - 2019

AcquireWise, Dallas - *Acquisitions Analyst*

- Developed strong interpersonal and communication skills.
- Deep understanding of the importance of organization and attention to detail.
- Manage clear communication and well-organized systems.

2007-2010

NetFoods, The Woodlands - *Founder*

- Developed unique combination of technical expertise and business acumen.
- Using web development and online marketing I was able to create and promote a user-friendly platform that connects customers with local restaurants.
- Successful founder of a restaurant delivery service, leveraging web development skills for scalability and exceptional customer service.

Education

2006 - 2010

Sam Houston State University, Huntsville - *Bachelor of Arts (B.A.), Business/Commerce, General, Entrepreneurship*
Bachelor of Arts (B.A.), Business/Commerce, General, Entrepreneurship

Activities and societies: C.E.O. Founder/President of the Entrepreneurship club.

A Bachelor's degree in Business Administration provides a strong foundation in the principles of business, including accounting, finance, marketing, operations, and management. With this degree I am equipped with the skills and knowledge necessary to succeed in a variety of business-related careers, from entrepreneurship to management positions in large corporations. The curriculum emphasizes critical thinking, problem-solving, and effective communication, making graduates well-prepared to navigate the complex and rapidly-changing business world. With a Bachelor's in Business Administration, I am poised to take on leadership roles, drive growth and innovation, and make a positive impact on their organizations and communities.

Awards

GLO-BUS Industry champion.

The GLO-BUS Industry Champion Award is an esteemed recognition for individuals who have demonstrated exceptional performance and leadership within their respective industry. This award recognizes individuals who have made a significant impact on their industry through their innovative thinking, problem-solving skills, and unwavering commitment to excellence. The recipients of this award are trailblazers who have raised the bar for their industry and are widely regarded as leaders in their field. The GLO-BUS Industry Champion Award is a true testament to the recipient's outstanding achievements and their commitment to making a positive impact in the world.
